

**Elf Holly Berry:** Hello, I'm Elf Holly Berry reporting from the Special Assignment Desk for North Pole Radio News. Santa's reindeer have an early season assignment now to aid in the effort to catch up at Santa's workshop. Joining me now from the reindeer barn is North Pole Radio News specialist, Elf Red Stocking. Red?

**Elf Red Stocking:** Holly it appears Santa is sending out his A-Team of reindeer in pairs that are teamed with lesser experienced reindeer to help shuttle needed materials to Santa's workshop. Donner and Blitzen, for example, are leading a caravan of teamsters from Brazil today.

**Elf Holly Berry:** What is Brazil providing to help in Santa's workshop?

**Elf Red Stocking:** It appears to be wood, Holly. Sleighs and sleighs of wood are arriving even as we speak.

**Elf Holly Berry:** Red, how will this work affect Santa's reindeer? Does this disrupt their training for the Reindeer Games scheduled in November?

**Elf Red Stocking:** According to Elf Big Sled Ted at the Kringle Reindeer Clinic this is the best possible kind of workout the reindeer can be getting right now as they get in shape for the games.

**Elf Holly Berry:** This sounds like a win for everyone, Red. Thanks for your report. For North Pole Radio News, I'm Elf Holly Berry reporting for SantaUpdate.com on the Kringle Radio Network.
