

Summer Fair at Christmas in July

Elf Frank Myrrh: Happy Christmas in July greetings from the North Pole News Desk, I'm Elf Frank Myrrh of North Pole Radio News. A good time was had by all this past weekend as Santa took time away from his work at North Pole Flight Command to attend the annual Summer Fair at the North Pole Events Center and at Kringle Park. Joining me from there is Elf Crash Murphy, and Crash I hear events are happening there still this week.

Elf Crash Murphy: Yes, the Summer Fair during Christmas in July is a traditional event, Frank, and it continues all this week, ending this Saturday with the Sleigh Parade down Main Street. I understand Santa and Mrs. Claus will be in the sleigh used a few years back with the built in 454 Chevy big block engine. That's one popular sleigh and it's not often we get Santa and Mrs. Claus actually in a parade.

Elf Frank: That's true. People are use to seeing Santa in the Thanksgiving Day parades and other Christmas parades around the world but July is the only time Santa and Mrs. Claus join a North Pole Parade.

Elf Crash: They serve so many roles, Frank. For the elves who march in the Thanksgiving Day Elf Parade I can tell you it's a big deal to them to march in front of Santa and Mrs. Claus. So for that reason Santa doesn't put himself too much in North Pole Parades. But this Sleigh Parade is right up Santa's alley – he loves to show off sleighs from his collection, especially the really old ones.

Elf Frank: Crash, Santa seems to be very visible right now and not just in parades. He was in chat yesterday, a middle of the week event that's kind of rare, as part of the new North Pole Club on SantaUpdate.com.

Elf Crash: Yes, and he can do that now, Frank. Santa is devoting a lot of time and effort in personal outreach this year. That chat had some difficulties so he's going back to chat this Sunday for folks who are in the North Pole Club. Santa is going to be doing quite a few more events. I would note that people need to avoid confusing Santa Chat and North Pole Chat. Santa and Mrs. Claus will be in North Pole Chat for their annual Christmas in July event still on July 26th.

Elf Frank: Ok, Crash, good reminder and be careful for flying water balloons out there during Christmas in July. From the North Pole news desk, where we will chat with Santa anywhere anytime, I'm Elf Frank Myrrh reporting for SantaUpdate.com on the Kringle Radio Network.
